Level: I **PASS**

Dr . Suzuki had a graduation system in Japan for many years. Suzuki Teachers Association of Hampton Roads follows Dr . Suzuki's philosophy for graduation.

The purpose of graduation is:

- To continue to raise standards for students and teachers
- To provide incentive for polish and review of literature
- To provide a means of recognition for students who have achieved certain goals

To ensure performance consistency, each graduation or recital piece should be prepared and recorded with these guidelines in mind:

- Appropriate tempo
  - Good intonation
  - Clean articulation
  - Beautiful tone
  - Dynamic contrast
  - Sense of style and musicality appropriate to the piece
  - Ease of performance
-
